Leaves from the President

Thank you for the opportunity to serve as your president.

We have had some great lectures as well as field trips.

As many of you know, Don Martin has volunteered to serve as president.

I wholeheartedly support his election and look forward to his new ideas.

As for the June meeting, I will be displaying photos of plants from my recent travels to faraway places at the La Habra Library. Don't forget that we will be holding our always popular plant exchange. And as usual, July will be dark.

And I close this month's Leaves with a good gardening blessing, "May your plants be well!"

Respectfully submitted,
Glenn Vodhanel,
OCIMG President

Plant Exchange This Month!

For every plant you bring to exchange, you get to take one home. Bring 10-12 well-rooted plants of any kind or combination. Each plant must be labeled with the **botanical and common names** along with a note as to how to maintain the plant.

All plants will be staged in the patio outside the meeting room. There is plenty of parking and it's an easy drop off and pick up.

Try and place plants in groups: annuals, perennials, vegetable, succulents, etc. Signs will be provided to help organize the space. Please, no plants are to be brought inside the meeting room (unless you're willing to stay and clean up!).

Hart Park Heritage Rose Garden

As I mentioned in our April meeting, I've been contacted by Don Slater to work with him to re-establish the heritage Rose Garden at Hart Park. He said it was in pretty bad shape, but that they had a grant to help bring it back. What we would probably be doing would be advising and offering working workshops for the community on caring for a rose garden.

We are going to meet at his office - Orange Realty - on Thursday, May 28th at 3:30 PM. It's at 1537 E. Chapman in Orange. The park is at 701 S Glassell St, Orange, CA 92866 if you want to just meet there.

Please let me know if you can join us or want to be involved with the project.
